

# YOUTH SOFTBALL

Registration for all leagues will be held Feb 19-March. Registrations after March 19. will be considered late registration and may result in the player being put on a waiting list. We offer recreation based leagues for girls ages 6-16. Players will be split up randomly on teams through the Recreation Department, at the end of registration. Games played in Rantoul will be played at the Rantoul Family Sports Complex, Wabash Park, and out of town for jr girls, fast pitch, and teen girls.

## Volunteer to Coach

Our softball leagues are coached by volunteer coaches, this is a way to provide programs at a lower cost to our community, while helping guide and mentor our youth. While we do greatly appreciate our volunteers, we do require that volunteers follow our policies, procedures, and our code of conduct. Please contact the Recreation Department to sign up to volunteer.
